# PROACE CITY ELECTRIC, YOUR NEW ELECTRIC TOOL

Proace City Electric combines the no-compromise capability and versatility of the Proace City, with the performance and efficiency of an all-electric powertrain.

Whatever the demand, Proace City Electric is by your side. Busy city schedules and out-of-town jobs are handled with unbeatable performance and quietness. A responsive motor and battery, delivers outstanding acceleration, range and above all, the freedom of zero emissions at the tailpipe.

With two lengths and impressive payload and towing capacity at your disposal, every job's covered. Inside, dedicated EV features help you keep an eye on battery capacity and consumption.

## KEY REASONS TO BUY ELECTRIC

**RANGE UP TO 171 MILES\***  
With Proace City Electric's impressive range, you'll always have the confidence to go where the work is.

**NO COMPROMISE ON CARGO**  
Offering a 800 kg payload and 750 kg towing capacity, Proace City Electric is a no-compromise load-lugger.

**BATTERY SIZE**  
With a 50 Kw battery, Proace City Electric gives you the range and capacity you need.

\* Electric range figures are provided for comparability purposes, and can vary significantly depending on factors such as, accessories fitted (post registration), driving style, weather conditions, speed or vehicle load. It is best to only compare electric range figures with other cars tested to the same technical procedures. These figures may not reflect your real life driving results.

Model shown is Electric Panel Van short wheel base.

# ELECTRIFY YOUR WORKSPACE

Proace City Electric makes doing business in the city easy. Clean and capable, its efficient electric powertrain works hard to reduce running costs and your company's carbon footprint, thanks to zero emissions when driving. On the move, a powerful motor delivers maximum torque in an instant, for silent and seamless acceleration from lights and roundabouts, time after time.

**THE JOB OF THE BATTERY**  
Electricity from the battery powers a motor which turns the wheels. By switching the car off when stationary and regenerating energy under braking, energy waste is minimised. When empty, the battery can be recharged through a wall socket or dedicated unit.

**A CHOICE OF THREE DRIVING MODES**  
Proace City Electric is equipped with a unique Drive Mode Switch. Its three modes allow you to optimise the powertrain's performance to your circumstances: Power for responsive acceleration, Normal for everyday use, and Eco for the greatest driving range.

Proace City Electric is specified with a 50 Kw battery. Offering driving ranges of up to 171 miles, offering the perfect solution for your business needs, whether it's stop-start city drop-offs or daily long-distance driving.

View all available charging stations through the touchscreen, add waypoints and receive nearby station locations when the battery is low.

**CLEAR CHARGING STATUS**  
 Located inside the Proace City Electric's charging lid, the battery status indicator light provides an easy way of checking charging status.

- STANDBY
- TIMED CHARGE
- CHARGING
- ERROR

## IT'S EASY TO RECHARGE

Proace City Electric keeps you moving when it matters. With a full charge in as little as 30 minutes, and driving range as high as 171 miles, working with electric doesn't get easier than this.

Whether you're charging via a home socket, through a wall box or fast charging on the go, Proace City Electric keeps you powering on. With unrivalled range from its 50 kWh battery, there's energy to last the busiest days without recharging.

### CHARGING THE 50 kWh BATTERY

**QUICK CHARGING**  
 Plugged into a rapid charger, accessible to the public, the 50 kWh battery is fully charged in 0.5 hours\*.

**WALL BOX**  
 Plugged into a fast, reliable, dedicated home/office wall box, the 50 kWh battery is fully charged in 4.5 hours\*.

**DOMESTIC HOME SOCKET**  
 Plugged into a domestic socket, just like a mobile phone, the 50 kWh battery is fully charged in 30.5 hours\*.

\* Charging times subject to local circumstances.

## CONNECT, CONTROL AND STAY INFORMED

Proace City Electric offers a range of unique EV features and advanced connectivity, to keep you informed, in control and on the go each day.

Inside Proace City Electric, important driving information, from electric consumption to battery capacity, is displayed on the central combimeter and TFT screen. A charging station locator and Autonomy range checker are among the unique features available through the 8" touchscreen and navigation system to help you plan your workday.

### BATTERY CHARGING AND THERMAL PRE-HEATING PROGRAMMES

Ensure your van's ready for you, by managing your preferred charging times and warming the cabin before the day begins.

When using the remote control services please ensure that:

- This service is only used on the owner's/registered keeper's drive. You must not leave a parked vehicle unattended with the engine running whilst stationary on a public road.
- The vehicle is fully immobilised, and you check the safety of the vehicle's surroundings.
- Make sure that there are no people or animals inside the vehicle.
- Do not operate the system if the hood is open or when the vehicle is parked indoors without ventilation.
- Please be respectful of the environment and minimise any excessive noise or air pollution.

### BATTERY USAGE DISPLAY

Refine your driving style, with a visual guide to how much battery energy is being used and recovered on journeys.

Ready to adapt to all business needs with a variety of rear door options available.

Image shown not UK specification.

Model shown is Icon short wheelbase.

**PANEL VAN**  
Short wheelbase offers up to 3.1m load length and up to 3.8m<sup>3</sup> volume.

**PANEL VAN**  
Long wheelbase increases that to up to 3.4m load length and up to 4.4m<sup>3</sup> volume.

# THE COMPACT VAN THAT THINKS BIG

Functional, versatile and accessible, the new Proace City is the perfect urban van. With outstanding loading length and generous loading volume, both long and short wheelbases can accommodate two Euro pallets\*.

With a payload capacity of up to 1 tonne and a towing capacity of up to 1.5 tonne whether you are moving weight or needing space, you will be able to get the job done.

1t  
UP TO 4.3m<sup>3</sup>  
UP TO 1.5t  
2x

\* With Smart Cargo; optional on Active, standard on Icon.

# SIMPLY PRACTICAL

Designed to make your business easy, Proace City loves the urban environment thanks to its compact size and clever design. Your cargo will always be accessible via the swinging rear doors and twin side loading doors. Load capacity and length can be easily increased with the Smart Cargo system\*: overall load length up to an additional 1.3m and cargo capacity by 0.4m<sup>3</sup>.

**LOAD-SECURING HOOKS**  
Secure the cargo and reduce the risk of damage when in transit.

Designed for convenience with easy-access sliding side doors, perfect for tight spaces.

Model shown is Icon short wheelbase.

\* Optional on Active as part of the Smart Cargo pack.

Smart Cargo hatch in bulkhead lets you easily increase volume by 0.4m<sup>3</sup> and load length by 1.3m.

Model shown is Icon short wheelbase.

**3 FRONT SEATS\***  
The flat floor and bench seat provide seating for up to three.

**MOBILE OFFICE\***  
The integrated table on the folding central seat can be angled towards either passenger or driver.

## EXTRA SPACE WHEN YOU NEED IT

Proace City offers the flexibility that businesses need, with a range of interiors to cater for every trade. The Smart Cargo system creates additional load length and carrying capacity with an ingenious hatch in the bulkhead for transporting longer loads.

The clever folding middle front seat creates a handy work surface, ideal for laptops and tablets, whilst under-seat storage accommodates all your essentials, out of sight.

There's a choice of two<sup>§</sup> or three front seats.

\* Optional as part of the Smart Cargo pack.  
§ Only available on Active without Smart Cargo pack.  
Image shown may not reflect UK specification.

Model shown is Icon long wheelbase.

# COMFORT ZONE AT WORK

Combine business with pleasure: Proace City is designed to keep you comfortable however long you spend behind the wheel.

Expansive cabin space, a well organised dashboard and supportive seats ensure you travel in comfort throughout the day.

### 5.9-LITRE FRONT DOOR STORAGE

Deep and wide, in the large door pockets you keep all essentials within close reach.

### DASHBOARD OPEN AND CLOSED STORAGE\*

The convenience of open storage and the security of closed storage ensures you can find everything you need in a second.

### OVERHEAD STORAGE

Clever solutions maximise the space with overhead storage.

\* Active has closed upper passenger and open driver storage compartments. Icon has closed upper passenger and driver storage compartments.

# TECHNOLOGY WORKING FOR YOU EVERY MINUTE

With voice activation and touch screen technology Proace City offers the latest in multimedia and connectivity. More than just audio, its 8" screen delivers an intuitive and engaging experience that allows you to access smartphone features including Smartphone Integration with MirrorLink®, Apple CarPlay with Siri assist, Android Auto™ with Google assistant and Bluetooth®.

### PRO TOUCH

Complete with Toyota Connected Services, featuring real-time traffic, TomTom places, local weather, car parks, petrol stations and points of interest.

### TOYOTA CONNECT (APPLE CARPLAY AND ANDROID AUTO™)

Plug in, and Toyota Connect will mirror your smartphone. Music and phoning are now even simpler.

### E-CALL

Connect with emergency services if the vehicle is involved in a serious accident.

Model shown is Icon long wheelbase.

Apple CarPlay is a trademark of Apple Inc.

Model shown is Comfort short wheelbase.

# FIND YOUR BEST FIT

At Toyota we know that every business is unique and that choice is important, which is why we offer an electric powertrain option with 50 kWh alongside two diesel engines producing between 100 and 130 DIN hp. With outstanding fuel economy Proace City has the powertrain to perfectly match your business needs in a cost-effective way.

# SAFETY

Optional safety features\* include an advanced Pre-Collision System, Road Sign Assist, Lane Departure Alert with Steering Control, Cruise Control and Driver Attention Alert. You can be sure that Proace City has you covered.

In addition to the above, the optional Toyota safety pack includes a Thatcham approved category 1 alarm.

## Toyota Safety Sense + Alarm

### Pre-Collision System

Pre-Collision System uses a camera and laser to detect other vehicles in the road ahead. When the possibility of collision is detected the driver is alerted with audio and visual warnings and brake assistance is activated.

### Road Sign Assist

Road Sign Assist monitors the road signs ahead, displaying information such as the current speed limit or overtaking restrictions in clear view on the TFT cockpit display. The system provides a visual and acoustic warning if you are not following the road sign indication.

### Driver Attention Alert

This function monitors the vehicle's position within the lane and the driver's steering in order to detect vehicle sway, which tends to occur when the driver's ability to concentrate deteriorates due to drowsiness, inattention or distraction.

### Lane Departure Alert with Steering Control

Using a camera to detect the lane markings in the road ahead, Lane Departure Alert will give the driver audible and visual warnings if the vehicle starts to deviate from its lane without the turn indicator being applied and corrects unintentional lane departure.

### Alarm with tilt sensor (Thatcham approved category 1)

This Thatcham approved alarm is optional on the Icon grade, providing an additional level of security for your van.

\* Only optional on Icon and standard on Design. Diesel vehicles only.

# ACCESSORIES

Toyota accessories give you choices for customising the interior of your Proace City. There are options for protection and security to suit a wide range of business needs.

### ROOF RACK BARS

The easy-to-fit lockable bars form a base for carrying items such as bicycles or luggage and ski boxes.

### ROOF PLATFORM, ALUMINIUM AND STEEL

The high quality construction of the aluminium and steel roof platform provides strength and a long-lasting durability for carrying many different types of load.

### FLANGED TOWING HITCH

Designed for regular towing. It features a flanged assembly to dissipate towing stresses. Both a pintle hook with ball and a high strength ball coupling are offered.

### SECURITY WINDOW PANEL

The steel security mesh provides an additional layer of anti-theft protection for your cargo. It is custom-shaped to fit inside the windows.

### RUBBER FLOORING

The rubber flooring is designed to minimise water, mud and stones spraying onto your car's body.

### CENTRE CONSOLE

The centre console provides additional storage for keeping possessions close to hand.

### SEAT COVERS

The seat covers are specifically designed to maintain the seats of your new vehicle in a good condition. They are comfortable and resistant, they effectively protect the original fabric and ensure the proper functioning of the side airbags.

For the full range of accessories, please visit the Toyota retailer website.

# ACCESSORIES

Toyota accessories give you choices for customising the interior of your Proace City. There are options for protection and security to suit a wide range of business needs.

**INTERIOR PANELS AND FLOOR**  
1. Varnished wood

**SECURITY DOOR LOCKS**  
The exterior door lock is designed to fortify the security of commercial vehicles, in particular, those carrying goods and equipment.

The ArmaDLock offers a robust aluminium lock structure and uses a hasp locking system.

The Mul-T-Lock blends in with the vehicle's exterior and uses a patented 3-way lock.

For the full range of accessories, please visit the Toyota retailer website.

# OWNING YOUR PROACE CITY

## Servicing your Toyota

Toyota Service Pricing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your vehicle based on the vehicle's age, mileage and service history.

For more information visit [toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance](https://toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance)

## Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit [toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance](https://toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance)

## Toyota Price Repairs

We offer transparent prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your vehicle will always be dealt with by a trained Toyota technician.

For more information visit [toyota.co.uk/owners/parts-accessories/parts](https://toyota.co.uk/owners/parts-accessories/parts)

## MyT

Whether you're a long-term owner or have recently taken delivery of a new Toyota, there are lots of reasons to join **MyT**. Packed with time-saving and convenient features, **MyT** ensures everything you need to manage your vehicle ownership is in one place. You'll also gain access to **My Rewards** where you can enjoy great offers and discounts from big brands on everything from family days out to pampering as well as everyday deals.

For more information visit [toyota.co.uk/mytoyota](https://toyota.co.uk/mytoyota) or download the **MyT** app now available on iTunes and Android.

## Toyota Accessories

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability.

For more information visit [toyota.co.uk/owners/servicing-and-aftercare/accessories](https://toyota.co.uk/owners/servicing-and-aftercare/accessories)

## Toyota Roadside Assistance

When you buy a new Toyota you will automatically receive 12 months' Roadside Assistance in the UK and Europe, free of charge. After the first year you can renew this cover at £76 for 12 months or £135 for 24 months by calling 0344 701 6201 or visiting [toyota.co.uk/roadside-assistance/](https://toyota.co.uk/roadside-assistance/)

## Get up to 10 years/100,000 miles Toyota Warranty\*

Every new Toyota comes with a 3 year manufacturer warranty followed by a 12 months / 10,000 miles additional warranty, with every qualifying service.

For full details, please ask your official Toyota Centre or visit [toyota.co.uk/relax](https://toyota.co.uk/relax)

## Corrosion Cover

The 6-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 6-year period.

## Rust and Paint Cover

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

## Toyota Business Centre

Our Toyota Business Centre network promise you same-day access to a business manager or dedicated sales executive. With business offers and interactive wholelife cost modelling tools which consider emissions, fuel economy, servicing, insurance and residual value data, our advisers can accurately compare tax costs against any competitor. Whenever servicing is due, we can offer fixed-price servicing, free local vehicle collection and delivery (with wash and vac).

Special offers, fixed-price fleet servicing, specialist fleet insurance, business daily hire, Toyota Fleet Financial Services, extended test drives and a dedicated Business Centre Network are just some of the services business customers can expect from Toyota.

For more information visit [toyota.co.uk/business-customers](https://toyota.co.uk/business-customers)

## Toyota Motor Insurance

Toyota Motor Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

## Flexible Finance from Toyota Financial Services

All our plans offer easy budgeting and peace of mind, and **AccessToyota** brings these benefits together in one flexible package.

Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey, KT18 5UZ.

Finance subject to status to over 18s only. Indemnities may be required. Terms and conditions apply.

TFS is authorised and regulated by the Financial Conduct Authority.

\* Terms and conditions apply. For full details, please ask your official ToyotaCentre or visit <https://www.toyota.co.uk/owners/toyota-warranty>

# TOYOTA PROFESSIONAL

## MOBILE OFFICE

Should you need to bring your van in for a service, we have all the facilities on hand to make your visit a productive one, with free wi-fi, coffee, and a free wash and vac to top it all off.

## FIVE YEARS' ROADSIDE ASSISTANCE

It's reassuring to know that you are never alone: we provide 5 years' free roadside assistance as standard on all of our new commercial vehicles.

## SERVICE AT YOUR CONVENIENCE

\* Prices correct at time of going to print. <sup>§</sup> Check with your retailer for specific warranty details.

# FOR A CLEANER WORLD

Announced in 2015, our global Environmental Challenge 2050 comprises of six challenges. They cover every aspect of our business, our exploration of new products and technologies, and our role as an enabler for individuals and communities to learn about and improve the natural world around them.

For more information regarding Toyota Environmental Challenge please visit: [toyota.co.uk/world-of-toyota/environment/environmental-challenge-2050](http://toyota.co.uk/world-of-toyota/environment/environmental-challenge-2050) or contact your local Toyota dealer.

## CHALLENGE 1

### NEW VEHICLE – ZERO CO<sub>2</sub> EMISSIONS

By 2050, we want to reduce the CO<sub>2</sub> emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

## CHALLENGE 2

### LIFE CYCLE – ZERO CO<sub>2</sub> EMISSIONS

We are working to create more environmentally friendly designs – and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle\*.

## CHALLENGE 3

### PLANT – ZERO CO<sub>2</sub> EMISSIONS

To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

## CHALLENGE 4

### MINIMISING AND OPTIMISING WATER USAGE

To minimise water usage, we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

## CHALLENGE 5

### ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Toyota Proace City is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'. We are pursuing full life cycle management for battery recovery & reuse and remanufacturing green parts.

## CHALLENGE 6

### ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

\* Toyota's LCA methodology, which is applied to our passenger vehicles, was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.

# INSPIRING THE WORLD TO MOVE

Over 85 years of innovation have brought us our greatest mission yet: giving the freedom of movement to humankind. That's why Toyota is the Worldwide Official Mobility Partner of the International Olympic Committee and the International Paralympic Committee and proud partner of Team GB and Paralympics GB.

We are committed to making movement better for everyone, whether that be across a country, a city or across a room, because when you are free to move, anything is possible.
